

## Apron Fence

### 17 gauge, 1-1/2" hexagonal mesh

~ VC - Black Vinyl Coated ~

**Description -**

- Made in USA - a Red Brand product from Keystone Steel & Wire
- Extra heavy full 17 gauge galvanized wire woven into 1-1/2" hex netting
- This is the *only* premium quality vinyl coated Apron Fence available that is made in USA

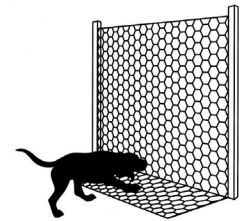

**Benefits -**

- This mesh will last
- PVC coating is UV stabilized
- Rugged thick coating is tightly bonded to wire
- Vinyl is stable under wide range of temperatures
- Highest quality Vinyl Coated Apron Fence available
- Coating adds years of life to fence - a greater value than GBW wire
- Black color is more attractive - less visible, blends with background
- Red Brand wire coated in USA with thick layer of durable, flexible black PVC

**Uses -**

- Garden fence
- Game bird pens
- Tennis court fence
- Beagle training pens
